We are industry led!

TECH TOPICS

We are Industry led!

As we drive at warp speed towards single digital spaces, generative ai, automation, Web 3.0 and much more, CIO UK&I will consider the pragmatic implications as well as the undeniable benefits of the digital transformation journey. Through peer-to-peer learning and networking from some of the finest IT leaders in the region across many sectors, we will explore industry specific digital challenges and case studies across manufacturing, retail, government, education, financial services, oil & utilities and healthcare

Tech topics include:

Future of Finance: Harnessing Generative AI in Financial Services

Prepare For The Most Important Shift In Cybersecurity

Tech Talent Unlocked: Strategies for Retention and Growth

Tech-Enhanced Care: Transforming The patient Journey

Governance Rewired: Building Ethical, Human-Centric AI for the Public Sector

Revolutionising Energy with Data and Tech Innovations

WHAT IS CIO UK&I?

CIO UK&I is an invitation only industry agnostic event focusing on key topics within the IT sector including cloud migration, digital transformation, automation, artificial intelligence and more.

On the 11th February 2025, join us at Langham Hotel, London. CIO UK&I responds to the current regional challenges across various industries.

The event includes:

Space in the main networking area including company graphics, power socket, furniture and lights with a full day of live content from tech industry experts within the region.

Brand exposure for your company including logo on the stage, invitations and all pre and post show marketing materials.

A full day of networking with leading IT experts from enterprise to mid sized companies within the region- all coffee breaks, networking lunch and the end of event networking drinks will be served in the main exhibition area for maximum networking opportunities.

CIO UK&I | 11TH FEBRUARY 2025 | **LONDON** | LANGHAM HOTEL
